H. R. GRUBB, LIMITED

CROYDON

INDEX TO AUTHORS IN VOL. 55

PAGE

ALEXANDER, F. Pharmacological Studies on the Uterus 140

ARTHUR, G. H. (See Wright, J. G.)

AYLWARD, F., and OTTAWAY, C. W. The Collection and Examination of Plasma from Pregnant Mares for Gonadotrophic Hormone 159

BELL, F. R., and JONES, E. R. Glucose Tolerance in the Bovine ... 117

BLAKEMORE, F. Further Observations on the Demonstration of an Infective Agent in the Tissues of Fowls Affected with Fowl Paralysis (Neurolymphomatosis) 1

BLAKEMORE, F. Infection of the Bovine Lungs with an Organism resembling *Bacillus actinoides* 132

BURNET, F. M. (See McGaughey, C. A.)

CAMPBELL, A. D., and RODWELL, A. W. The Relationship of Dosage and Site of Inoculation to the Agglutinin Response to *Brucella abortus* Strain 19 Vaccine: A Comparison of the Subcutaneous, Intracutaneous and Intracaudal Routes 277

CAMPBELL, J. G. Neoplastic Disease of the Fowl with Special Reference to its History, Incidence and Seasonal Variation 308

CAMPBELL, J. G. (See Robertson, A.)

EDEN, A., HUNTER, A. H., and GREEN, H. H. Contributions to the Study of Swayback in Lambs. II.—Blood Copper Investigations 29

EDEN, A. (See Hunter, A. H.)

FIELD, H. I., and WILLIAMS SMITH, H. The Coagulase Test for Staphylococci 63

FORMSTON, C. Observations on Subluxation and Luxation of the Crystalline Lens in the Dog 168

FRENCH, M. H. (See Wilde, J. K. H.)

GLEDHILL, A. W. The Passive Protection of Mice Against Infection with *E. rhusiopathiae* 93

GRAVES, D. N. (See Robertson, A.)

GREEN, H. H. (See EDEN, A.)

GREEN, H. H. (See Hunter, A. H.)

HOLMAN, H. H. Studies on the Haematology of Sheep. IV.—Erythrocytic and Thrombocytic Pictures, and Variations in Physical Attributes 146

HOLMAN, H. H. Studies on the Haematology of Sheep. V.—A Survey of Blood Pictures in Sheep Diseases 229

HUNTER, A. H., EDEN, A., and GREEN, H. H. Contributions to the Study of Swayback in Lambs. I.—Field Experiments ... 19

HUNTER, A. H. (See Eden, A.)

JONES, E. R. (See Bell, F. R.)

MCCALLUM, J. W. (See Stewart, J.)

MCGAUGHEY, C. A., and BURNET, F. M. Avian Pox in Wild Sparrows. I.—A Note on a Spontaneous Outbreak. II.—A Note on the Activity of Sparrow Pox Virus in the Canary 201

ORR, W. Observations on Rinderpest in Goats Imported to Malaya 185

OTTAWAY, C. W. (See AYLWARD, F.)

PATTISON, I. H. Histological Evidence Indicating that a Form of Equine Encephalomyelitis occurs in Palestine 109

PATTISON, I. H. Tick Transmitted Protozoa in the Peripheral Blood of Clinically Healthy Cattle in Palestine 243

ROBERTSON, A., CAMPBELL, J. G., and GRAVES, D. N. Experimental Zinc Phosphide Poisoning in Fowls 290

FUMIGATED 1995

67-34945

PAGE

RODWELL, A. W. (See Campbell, A. D.)
ROPP, R. S. DE. Comparison of the Immunising Value in Guinea-pigs of Living Avirulent *Brucella abortus* Vaccines, Strains 45 (20) and S.19 70
ROPP, R. S. DE. The Propagation of *Brucella abortus* in the Mouse 85
ROWLANDS, W. T., and WILLIAMS SMITH, H. Staphylococcosis in Geese 125
SHEARER, G. D. Some observations on the Poisonous Properties of Bracken (*Pteris Aquilina*) 301
SIGURDSSON, B., VIGFUSSON, H. and THEODORS, S. Serological Diagnosis of Johne's Disease of Sheep 268
SMITH, WILLIAMS, H. (See Field, H. I.)
SMITH, WILLIAMS, H. (See Rowlands, W. T.)
STEWART, J., MCCALLUM, J. W., and TAYLOR, A. W. Observations on the Blood Picture of Johne's Disease in Sheep and Cattle, with Special Reference to the Magnesium Content of the Blood 45
TAYLOR, WILSON, A. Ovine Paratuberculosis (Johne's Disease of Sheep) 41
TAYLOR, A. W. (See Stewart, J.)
THEODORS, S. (See Sigurdsson, B.)
VIGFUSSON, H. (See Sigurdsson, B.)
WILDE, J. K. H., and FRENCH, M. H. An Experimental Study of *Trypanosoma rhodesiense* Infection in Zebu Cattle 206
WILSON, D. R. Studies in Louping-Ill. I.—Cultivation of Louping-Ill Virus in Vitro. II.—Pathogenic Properties of Culture Virus 250
WRIGHT, J. G., and ARTHUR, G. H. Observations on Infertility in a Dairy Herd, with Special Reference to *Trichomonas foetus* Infection 49

INDEX TO SUBJECTS

AGGLUTININ Response to *Brucella abortus* Strain 19 Vaccine: A Comparison of the Subcutaneous, Intracutaneous and Intracaudal Routes. The Relationship of Dosage and Site of Inoculation to the. A. D. Campbell and A. W. Rodwell 277
Avian Pox in Wild Sparrows. I.—A Note on a Spontaneous Outbreak. II.—A Note on the Activity of Sparrow Pox Virus in the Canary. C. A. McGaughey and F. M. Burnet 201
Bacillus actinoides. Infection of the Bovine Lungs with an Organism resembling. F. Blakemore 132
Blood. Observations on the Blood Picture of Johne's Disease in Sheep and Cattle with Special Reference to the Magnesium Content of the. J. Stewart, J. W. McCallum and A. W. Taylor 45
Blood Copper Investigations. II.—Contributions to the Study of Swayback in Lambs. A. Eden, A. H. Hunter and H. H. Green 29
Blood of Clinically Healthy Cattle in Palestine. Tick Transmitted Protozoa in the Peripheral. I. H. Pattison 243
Blood Pictures in Sheep Diseases. Studies on the Haematology of Sheep. V.—A Survey of. H. H. Holman 229
Bovine. Glucose Tolerance in the. F. R. Bell and E. R. Jones ... 117
Bovine Lungs with an Organism resembling *Bacillus actinoides*. Infection of the. F. Blakemore 132
Bracken (*Pteris Aquilina*). Some observations on the Poisonous Properties of. G. D. Shearer 301

PAGE

Brucella abortus in the Mouse. The Propagation of. R. S. de Ropp 85

Brucella abortus Strain 19 Vaccine: A Comparison of the Subcutaneous, Intracutaneous and Intracaudal Routes. The Relationship of Dosage and Site of Inoculation to the Agglutinin Response to. A. D. Campbell and A. W. Rodwell 277

Brucella abortus Vaccines, Strains 45 (20) and S.19. Comparison of the Immunising Value in Guinea-pigs of Living Avirulent. R. S. de Ropp 70

CANARY. II.—A Note on the Activity of Sparrow Pox Virus in the. Avian Pox in Wild Sparrows. C. A. McGaughey and F. M. Burnet 201

Cattle. An Experimental Study of *Trypanosoma rhodesiense* Infection in Zebu. J. K. H. Wilde and M. H. French 206

Cattle in Palestine. Tick Transmitted Protozoa in the Peripheral Blood of Clinically Healthy. I. H. Pattison 243

Cattle with Special Reference to the Magnesium Content of the Blood. Observations on the Blood Picture of Johne's Disease in Sheep and. J. Stewart, J. W. McCallum and A. W. Taylor ... 45

Coagulase Test for Staphylococci. The. H. I. Field and H. Williams Smith 63

Copper Investigations. II.—Blood. Contributions to the Study of Swayback in Lambs. A. Eden, A. H. Hunter and H. H. Green 29

DIAGNOSIS of Johne's Disease of Sheep. The Serological. B. Sigurdsson, H. Vigfusson and S. Theodors 268

Disease of Sheep. Ovine Paratuberculosis (Johne's). A.Wilson Taylor 41

Disease of Sheep. The Serological Diagnosis of Johne's. B. Sigurdsson, H. Vigfusson and S. Theodors 268

Disease of the Fowl with Special Reference to its History, Incidence and Seasonal Variation. Neoplastic. J. G. Campbell 308

Diseases. Studies on the Haematology of Sheep. V.—A Survey of Blood Pictures in Sheep. H. H. Holman 229

Dog. Observations on Subluxation and Luxation of the Crystalline Lens in the. C. Formston 168

Dosage and Site of Inoculation to the Agglutinin Response to *Brucella abortus* Strain 19 Vaccine: A Comparison of the Subcutaneous, Intracutaneous and Intracaudal Routes. The Relationship of. A. D. Campbell and A. W. Rodwell 277

ENCEPHALOMYELITIS occurs in Palestine. Histological Evidence Indicating that a Form of Equine. I. H. Pattison 109

Equine Encephalomyelitis occurs in Palestine. Histological Evidence Indicating that a Form of. I. H. Pattison 109

E. rhusiopathiae. The Passive Protection of Mice against Infection with. A. W. Gledhill 93

Erythrocytic and Thrombocytic Pictures, and Variations in Physical Attributes. Studies on the Haematology of Sheep. IV. H. H. Holman 146

Experimental Study of *Trypanosoma rhodesiense* Infection in Zebu Cattle. An. J. K. H. Wilde and M. H. French 206

Experimental Zinc Phosphide Poisoning in Fowls. A. Robertson, J. G. Campbell, and D. N. Graves 290

Experiments. I. Field. Contributions to the Study of Swayback in Lambs. A. Eden and H. H. Green 19

FIELD Experiments. I.—Contributions to the Study of Swayback in Lambs. A. H. Hunter, A. Eden and H. H. Green 19

PAGE

Fowl Paralysis (Neurolymphomatosis). Further Observations on the Demonstration of an Infective Agent in the Tissues of Fowls Affected with. F. Blakemore 1

Fowls. Experimental Zinc Phosphide Poisoning in. A. Robertson, J. G. Campbell, and D. N. Graves 290

Fowl with Special Reference to its History, Incidence and Seasonal Variation. Neoplastic Disease of the. J. G. Campbell ... 308

Geese. Staphylococcosis in. W. T. Rowlands and H. Williams Smith 125

Glucose Tolerance in the Bovine. F. R. Bell and E. R. Jones ... 117

Goats Imported to Malaya. Observations on Rinderpest in. W. Orr 185

Gonadotrophic Hormone. The Collection and Examination of Plasma from Pregnant Mares for. F. Aylward and C. W. Ottaway 159

Guinea-pigs of Living Avirulent *Brucella abortus* Vaccines, Strains 45 (20) and S.19. Comparison of the Immunising Value in. R. S. de Ropp 70

Haematology of Sheep. IV.—Erythrocytic and Thrombocytic Pictures, and Variations in Physical Attributes. Studies on the. H. H. Holman 146

Haematology of Sheep. V.—A Survey of Blood Pictures in Sheep Diseases. Studies on the. H. H. Holman 229

Histological Evidence Indicating that a Form of Equine Encephalomyelitis occurs in Palestine. I. H. Pattison 109

History, Incidence and Seasonal Variation. Neoplastic Disease of the Fowl with Special Reference to its. J. G. Campbell ... 308

Hormone. The Collection and Examination of Plasma from Pregnant Mares for Gonadotrophic. F. Aylward and C. W. Ottaway ... 159

Immunising Value in Guinea-pigs of Living Avirulent *Brucella abortus* Vaccines, Strains 45 (20) and S.19. Comparison of the. R. S. de Ropp 70

Incidence and Seasonal Variation. Neoplastic Disease of the Fowl with Special Reference to its History. J. G. Campbell 308

Infection. Observations on Infertility in a Dairy Herd with Special Reference to *Trichomonas foetus*. J. G. Wright and G. H. Arthur 49

Infection in Zebu Cattle. An Experimental Study of *Trypanosoma rhodesiense*. J. K. H. Wilde and M. H. French 206

Infection of the Bovine Lungs with an Organism resembling *Bacillus actinoides*. F. Blakemore 132

Infection with *E. rhusiopathiae*. The Passive Protection of Mice against. A. W. Gledhill 93

Infective Agent in the Tissues of Fowls Affected with Fowl Paralysis (Neurolymphomatosis). Further Observations on the Demonstration of an. F. Blakemore 1

Infertility in a Dairy Herd with Special Reference to *Trichomonas foetus* Infection. J. G. Wright and G. H. Arthur 49

Inoculation to the Agglutinin Response to *Brucella abortus* Strain 19 Vaccine: A comparison of the Subcutaneous, Intracutaneous and Intracaudal Routes. The Relationship of Dosage and Site of. A. D. Campbell and A. W. Rodwell 277

Intracaudal Routes. The Relationship of Dosage and Site of Inoculation to the Agglutinin Response to *Brucella abortus* Strain 19 Vaccine: A Comparison of the Subcutaneous, Intracutaneous and. A. D. Campbell and A. W. Rodwell 277

PAGE

Intracutaneous and Intracaudal Routes. The Relationship of Dosage and Site of Inoculation to the Agglutination Response to *Brucella abortus* Strain 19 Vaccine: A Comparison of the Subcutaneous. A. D. Cambpell and A. W. Rodwell 277

JOHNE'S Disease in Sheep and Cattle with Special Reference to the Magnesium Content of the Blood. Observations on the Blood Picture of. J. Stewart, J. W. McCallum and A. W. Taylor ... 45

Johne's Disease of Sheep. Ovine Paratuberculosis. A Wilson Taylor 41

(Johne's Disease) of Sheep. The Serological Diagnosis of. B. Sigurdsson, H. Vigfusson, and S. Theodors 268

LAMBS. I.—Field Experiments. Contributions to the Study of Swayback in. A. H. Hunter, A. Eden and H. H. Green ... 19

Lambs. II.—Blood Copper Investigations. Contributions to the Study of Swayback in. A. Eden, A. H. Hunter and H. H. Green 29

Lens in the Dog. Observations on Subluxation and Luxation of the Crystalline. C. Formston 168

Louping-Ill. I.—Cultivation of Louping-Ill Virus in Vitro. II.—Pathogenic Properties of Culture Virus. Studies in. D. R. Wilson 250

Lungs with an Organism resembling *Bacillus actinoides*. Infection of the Bovine. F. Blakemore 132

Luxation of the Crystalline Lens in the Dog. Observations on Subluxation and. C. Formston 168

MAGNESIUM Content of the Blood. Observations on the Blood Picture of Johne's Disease in Sheep and Cattle with Special Reference to the. J. Stewart, J. W. McCallum and A. W. Taylor 45

Malaya. Observations on Rinderpest in Goats Imported to. W. Orr 185

Mares for Gonadotrophic Hormone. The Collection and Examination of Plasma from Pregnant. F. Aylward and C. W. Ottaway 159

Mice against Infection with *E. rhusiopathiae*. The Passive Protection of. A. W. Gledhill 93

Mouse. The Propagation of *Brucella abortus* in the. R. S. de Ropp 85

NEOPLASTIC Disease of the Fowl with Special Reference to its History, Incidence, and Seasonal Variation. J. G. Campbell... 308

Neurolymphomatosis. Further Observations on the Demonstration of an Infective Agent in the Tissues of Fowls Affected with Fowl Paralysis. F. Blakemore 1

ORGANISM resembling *Bacillus actinoides*. Infection of the Bovine Lungs with an. F. Blakemore 132

Outbreak. II.—A Note on the Activity of Sparrow Pox Virus in the Canary. Avian Pox in Wild Sparrows. I.—A Note on a Spontaneous. C. A. McGaughey and F. M. Burnet 201

PALESTINE. Histological Evidence Indicating that a Form of Equine Encephalomyelitis occurs in. I. H. Pattison 109

Palestine. Tick Transmitted Protozoa in the Peripheral Blood of Clinically Healthy Cattle in. I. H. Pattison 243

Paralysis (Neurolymphomatosis). Further Observations on the Demonstration of an Infective Agent in the Tissues of Fowls Affected with Fowl. F. Blakemore 1

Passive Protection of Mice against Infection with *E. rhusiopathiae*. The. A. W. Gledhill 93

PAGE

Pathogenic Properties of Culture Virus. Studies in Louping-Ill. I.—Cultivation of Louping-Ill Virus in Vitro. II.—D. R. Wilson 250

Pharmacological Studies on the Uterus. F. Alexander 140

Phosphide Poisoning in Fowls. Experimental Zinc. A. Robertson, J. G. Campbell and D. N. Graves 290

Plasma from Pregnant Mares for Gonadotrophic Hormone. The Collection and Examination of. F. Aylward and C. W. Ottaway 159

Poisoning in Fowls. Experimental Zinc Phosphide. A. Robertson, J. G. Campbell and D. N. Graves 290

Poisonous Properties of Bracken (*Pteris Aquilina*). Some Observations on the. G. D. Shearer 301

Pox in Wild Sparrows. I.—A Note on a Spontaneous Outbreak. II.—A Note on the Activity of Sparrow Pox Virus in the Canary. Avian. C. A. McGaughey and F. M. Burnet 201

Pregnant Mares for Gonadotrophic Hormone. The Collection and Examination of Plasma from. F. Aylward and C. W. Ottaway 159

Propagation of *Brucella abortus* in the Mouse. The. R. S. de Ropp 85

Protection of Mice against Infection with *E. rhusiopathiae*. The Passive. A. W. Gledhill 93

Protozoa in the Peripheral Blood of Clinically Healthy Cattle in Palestine. Tick Transmitted. I. H. Pattison. 243

Pteris Aquilina. Some Observations on the Poisonous Properties of Bracken. G. D. Shearer 301

RINDERPEST in Goats Imported to Malaya. Observations on. W. Orr 185

SHEEP). Ovine Paratuberculosis. (Johne's Disease of. A. Wilson Taylor 41

Sheep. IV.—Erythrocytic and Thrombocytic Pictures, and Variations in Physical Attributes. Studies on the Haematology of. H. H. Holman 146

Sheep. V.—A Survey of Blood Pictures in Sheep Diseases. Studies on the Haematology of. H. H. Holman 229

Sheep. The Serological Diagnosis of. Johne's Disease of. B. Sigurdsson, H. Vigfusson and S. Theodors 268

Sheep and Cattle with Special Reference to the Magnesium Content of the Blood. Observations on the Blood Picture of Johne's Disease in. J. Stewart, J. W. McCallum, and A. W. Taylor ... 45

Sparrows. I.—Note on a Spontaneous Outbreak. II.—A Note on the Activity of Sparrow Pox Virus in the Canary. Avian Pox in Wild. C. A. McGaughey and F. M. Burnet 201

Staphylococci. The Coagulase Test for. H. I. Field and H. Williams Smith 63

Staphylococcosis in Geese. W. T. Rowlands and H. Williams Smith 125

Strains 45 (20) and S.19. Comparison of the Immunising Value in Guinea-pigs of Living Avirulent *Brucella abortus* Vaccines. R. S. de Ropp 70

Subcutaneous, Intracutaneous and Intracaudal Routes. The Relationship of Dosage and Site of Inoculation to the Agglutinin Response to *Brucella abortus* Strain 19 Vaccine: A Comparison of the. A. D. Campbell and A. W. Rodwell 277

PAGE

Subluxation and Luxation of the Crystalline Lens in the Dog. Observations on. C. Formston 168
Swayback in Lambs. I.—Field Experiments. Contributions to the Study of. A. H. Hunter, A. Eden, and H. H. Green 19
Swayback in Lambs. II.—Blood Copper Investigations. Contributions to the Study of. A. Eden, A. H. Hunter and H. H. Green 29
TEST for Staphylococci. The Coagulase. H. I. Field and H. Williams Smith 63
Thrombocytic Pictures, and Variations in Physical Attributes. Studies on the Haematology of Sheep. IV.—Erythrocytic and. H. H. Holman 146
Tick Transmitted Protozoa in the Peripheral Blood of Clinically Healthy Cattle in Palestine. I. H. Pattison 243
Tissues of Fowls Affected with Fowl Paralysis (Neurolymphomatosis). Further Observations on the Demonstration of an Infective Agent in the. F. Blakemore 1
Tolerance in the Bovine. Glucose. F. R. Bell and E. R. Jones ... 117
Transmitted Protozoa in the Peripheral Blood of Clinically Healthy Cattle in Palestine. Tick. I. H. Pattison 243
Trichomonas foetus Infection. Observations on Infertility in a Dairy Herd with Special Reference to. J. G. Wright and G. H. Arthur 49
Trypanosoma rhodesiense Infection in Zebu Cattle. An Experimental Study of. J. K. H. Wilde and M. H. French 206
UTERUS. Pharmacological Studies on the. F. Alexander 140
VACCINE: A Comparison of the Subcutaneous, Intracutaneous and Intracaudal Routes. The Relationship of Dosage and Site of Inoculation to the Agglutinin Response to *Brucella abortus* Strain 19. A. D. Campbell and A. W. Rodwell 277
Vaccines, Strains 45 (20) and S.19. Comparison of the Immunising Value in Guinea-pigs of Living Avirulent *Brucella abortus*. R. S. de Ropp 70
Variation. Neoplastic Disease of the Fowl with Special Reference to its History, Incidence and Seasonal. J. G. Campbell ... 308
Variations in Physical Attributes. Studies on the Haematology of Sheep. IV.—Erythrocytic and Thrombocytic Pictures, and. H. H. Holman 146
Virus in the Canary. Avian Pox in Wild Sparrows. I.—A Note on a Spontaneous Outgreak. II.—A Note on the Activity of Sparrow Pox. C. A. McGaughey and F. M. Burnet 201
Virus in Vitro. II.—Pathogenic Properties of Culture Virus. Studies in Louping-Ill. I.—Cultivation of Louping-Ill. D. R. Wilson 250
ZINC Phosphide Poisoning in Fowls. Experimental. A. Robertson, J. G. Campbell, and D. N. Graves 290
